EMPLOYEE INSIGHTS SURVEY 2015

We recently surveyed almost 6,700 professionals across Belgium, France, Germany, Ireland, Luxembourg, Netherlands, Spain and Switzerland. The results provide a snapshot of how people work and their thoughts on current issues affecting both their job and the professional decisions they make.

The following report includes opinions about professionals working in Switzerland on typical working habits, working environment, career path, social media and job motivation.

SURVEY RESULTS AT A GLANCE

- Confidence in sector 82%, company 67%, career 81%
- 40% of the respondents across Switzerland think they are not paid their market value
- More than 80% are connected with their colleagues on social media
- Almost half of all respondents (48%) stated that a lack of career progression would be the key reason for leaving a position
